

Do you need a friendly chat? Or need some help or support?

In partnership with Hammersmith & Fulham Council's Housing Resident Involvement Team, Citizens Advice has been making weekly telephone calls to residents. We're now delighted to expand this free service to all council housing residents.

Do you need a friendly chat? Or need some help or support?

If so, you might be interested in the
Citizens Advice Hammersmith & Fulham Telephone Befriending Service.

Each week, a friendly volunteer will phone to make sure you're okay, or just to have a chat. We can also try and help with any technical issues you may have with your phone or computer and provide suggestions about other organisations who can offer help for a range of issues.
