

# H&F Urban Ecology Trail

Welcome to our H&F Urban Ecology trail! The aim is to show you some of the projects we've worked with our housing communities to deliver.

Completing the whole trail in one go will take approximately 3 hours. We've proposed a running order, but as a self-guided tour, you can do this in the way that works best for you. If you do want to do the trail in sections, it may be an idea to do stops 1-3 as one part.

The aim is for you to enjoy the route either on foot or by bike. We've featured some of the 19 green flag parks in the borough and encourage you to steer clear of main roads and enjoy as many of the green spaces as the borough has to offer.

Look out for the information signs at each of the 10 trail stops!

### Top Tips

- Wear comfy shoes
- Check your route before starting the trail to make sure it's safe and accessible
- All of our 10 trail stops are in communities and people's homes are nearby. Please always be respectful of this
- Some of the projects will look different at different times of year. If you visit in winter and things don't look so active, then please do pop back in Spring and see the difference!

White City commonwealth garden

Millshott Close natural play turtles

Hammersmith Bridge

Woodmans Mews community growing garden, outdoor gym, and playground

Rainville sunken ball court community garden

### Trail order

1. Woodmans Mews community growing garden, outdoor gym, and playground
2. White City commonwealth garden
3. Wormholt Green Project
4. Flora Gardens community growing space and seating
5. Queen Caroline Surface Urban Drainage Systems (SuDs)
6. Rainville sunken ball court community garden
7. Millshott Close natural play turtles
8. Bayonne community gardening planting
9. St Albans Terrace community growing garden
10. Clem Attlee prairie grass planting by the blocks

### Parks and green spaces

1. Bishops Park and Fulham Palace
2. Brook Green
3. Cathnor Park
4. Frank Banfield Park
5. Furnivall Gardens
6. Hammersmith Park
7. Hurlingham Park
8. Marcus Garvey Park
9. Margravine Cemetery
10. Norland North Open Space
11. Normand Park
12. Parsons Green
13. Ravenscourt Park
14. South Park
15. St Paul's Gardens
16. St Peter's Square
17. Wendell Park
18. Wormholt Park
19. William Parnell Park (Pineapple Park)

### Legend

- 1 Urban ecology trail
- 1 Parks and green spaces
- Tube stations
